Dear Mr. Brown:

Thank you for your request for a meeting to discuss the question of the treatment of patients with environmental sensitivities, and for your subsequent information fax of September 3rd.

I would suggest that you contact the College of Physicians and Surgeons of Ontario with your evidence of abuse on the part of physicians. It is the mandate of the College to investigate allegations of misconduct against physicians and this would be the proper venue for you to discuss your concerns. The Academy of Medicine, Ottawa is the local branch society of the Ontario Medical Association and is more aligned with the activities of the OMA.

The address and contact person at the College is:

Dr. Michael Dixon, Registrar  
College of Physicians and Surgeons of Ontario  
80 College Street  
Toronto, ON M5G 2E2

Yours truly,

Byron Lemmex, M.D., C.C.F.P.
